DiseaseMapper	Hi everyone, welcome to today's #ECRchat "Different routes to postdoc funding"!	Thu, 08 Nov 2012 10:00:09 +0000
ECRchat	Hi all! I'll be joining #ECRchat from this account, but also RTing from the @ECRchat account today	Thu, 08 Nov 2012 10:00:50 +0000
DiseaseMapper	Lets start with introductions to see who is here today, including what type of funding you're currently on #ECRchat	Thu, 08 Nov 2012 10:01:05 +0000
DiseaseMapper	#ECRchat I'm a postdoc working in spatial epidemiology at the Uni of Southampton, UK. I'm currently funded by an early career fellowship.	Thu, 08 Nov 2012 10:01:06 +0000
ECRchat	#phdchat-ers don't worry if you need a few mins break before you join us! #ECRchat	Thu, 08 Nov 2012 10:01:44 +0000
ECRchat	RT @DiseaseMapper: Hi everyone, welcome to today's #ECRchat "Different routes to postdoc funding"!	Thu, 08 Nov 2012 10:01:57 +0000
ECRchat	RT @DiseaseMapper: #ECRchat I'm a postdoc working in spatial epidemiology at the Uni of Southampton, UK. I'm currently funded by an early career fellowship.	Thu, 08 Nov 2012 10:02:01 +0000
DiseaseMapper	Q1: There are different ways to find a post-doc or funding...what different routes to post-doc funding do you know of? #ECRchat	Thu, 08 Nov 2012 10:02:05 +0000
thesiswhisperer	I'll hand the live tweet baton to the folks on #ecrchat now - but I need a cup of tea and a lie down now! #phdchat	Thu, 08 Nov 2012 10:02:57 +0000
snarkyphd	Hi everyone, great topic. I'm a postdoc in Australia researching alternative food systems. On a faculty funded 2yr postdoc. #ECRchat	Thu, 08 Nov 2012 10:03:15 +0000
KL_Wheat	Account muddle already! I'm tweeting as me and @ECRchat today! I'm British postdoc working in Maastricht #ECRchat	Thu, 08 Nov 2012 10:03:24 +0000
alexburns	. @DiseaseMapper I'm an Australian-based research facilitator who helps academics get funding and am a #PhD student #ecrchat	Thu, 08 Nov 2012 10:03:31 +0000
ECRchat	RT @thesiswhisperer: I'll hand the live tweet baton to the folks on #ecrchat now - but I need a cup of tea and a lie down now! #phdchat	Thu, 08 Nov 2012 10:03:57 +0000
JackieKirkham	@DiseaseMapper hi I'm at Edinburgh Uni, a RF funded by NHS, doing qual research attached to an RCT. #ECRchat	Thu, 08 Nov 2012 10:04:25 +0000
colnabeen	@alexburns awesome, might plan to come to Aus sometime #ECRchat	Thu, 08 Nov 2012 10:04:31 +0000
ECRchat	RT @KL_Wheat: Account muddle already! I'm tweeting as me and @ECRchat today! I'm British postdoc working in Maastricht #ECRchat	Thu, 08 Nov 2012 10:04:46 +0000
DiseaseMapper	@alexburns @KL_Wheat @snarkyphd @JackieKirkham @colnabeen welcome to the chat - great to have your input! #ecrchat	Thu, 08 Nov 2012 10:05:03 +0000
EllyfromOZ	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxfV0">http://t.co/UaLsxfV0</a>	Thu, 08 Nov 2012 10:05:06 +0000
DiseaseMapper	#ECRchat seems like we have a few different sources of funding between us then! NHS, Faculty, fellowship...any others?	Thu, 08 Nov 2012 10:06:23 +0000
kristinalford	@dr_krystal @onsci So far only you and I DrK. Busy evening, I've noticed a #phdchat, #ecrchat, #ozprimschchat as well as our #onsci	Thu, 08 Nov 2012 10:06:27 +0000
KL_Wheat	@DiseaseMapper A1. Am currently funded by PI, but looking for personal funding for about a year's time #ECRchat	Thu, 08 Nov 2012 10:07:03 +0000
PJ_Weatherill	Good evening. I'm a lecturer ( online specialist) and phd student. #Ecrchat	Thu, 08 Nov 2012 10:07:13 +0000
ECRchat	RT @DiseaseMapper: #ECRchat seems like we have a few different sources of funding between us then! NHS, Faculty, fellowship...any others?	Thu, 08 Nov 2012 10:07:27 +0000
DiseaseMapper	@PJ_Weatherill Hi there - good to have your input! #ECrchat	Thu, 08 Nov 2012 10:07:41 +0000
snarkyphd	Q1. Admit I am very ignorant about this. #ECRchat	Thu, 08 Nov 2012 10:08:25 +0000
CureCancerAust	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxfV0">http://t.co/UaLsxfV0</a>	Thu, 08 Nov 2012 10:08:51 +0000
JackieKirkham	@KL_Wheat in effect me too - PI got funding, then recruited me after. #ECRchat	Thu, 08 Nov 2012 10:08:51 +0000
DiseaseMapper	#ECRchat as I see it, main sources of postdoc funding are: Advertised post-doc, Uni funding, Fellowships, named on someone elses grant	Thu, 08 Nov 2012 10:09:06 +0000
PJ_Weatherill	Q1. Not sure what the future of post docs will be in Australia with #researchfundingcuts #Ecrchat	Thu, 08 Nov 2012 10:09:15 +0000
KL_Wheat	@snarkyphd Me too. Need help to discover all the funding possibilities out there #ECRchat	Thu, 08 Nov 2012 10:09:18 +0000
DiseaseMapper	@shiralee_poed Hi there - welcome! #ECRchat	Thu, 08 Nov 2012 10:09:33 +0000
Jurisprude1	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxfV0">http://t.co/UaLsxfV0</a>	Thu, 08 Nov 2012 10:09:46 +0000
DiseaseMapper	@KL_Wheat @snarkyphd It can be tricky working out all the options! #ECRchat	Thu, 08 Nov 2012 10:09:57 +0000
snarkyphd	Q1. Most Australian postdocs seem to be advertised for project proposals, not always clear where the money comes from? #ECRchat	Thu, 08 Nov 2012 10:10:27 +0000
ECRchat	RT @DiseaseMapper: @KL_Wheat @snarkyphd It can be tricky working out all the options! #ECRchat	Thu, 08 Nov 2012 10:10:28 +0000
ECRchat	Busy #ECRchat so far! Join us now for discussion of postdoc funding options <a href="http://t.co/ODj9CaJL">http://t.co/ODj9CaJL</a>	Thu, 08 Nov 2012 10:11:32 +0000
DiseaseMapper	Q2: What are your views on the pros and cons for each of these routes? (2/2) #ECRchat	Thu, 08 Nov 2012 10:12:05 +0000
DiseaseMapper	Q2. There is a distinction between advertised post-doc positions, gaining your own funding and being named on a grant (1/2) #ECRchat	Thu, 08 Nov 2012 10:12:05 +0000
DiseaseMapper	#ECRchat @snarkyphd Most post-docs staff probably employed on their boss's research funding, but there are other options which we'll cover	Thu, 08 Nov 2012 10:12:24 +0000
Jurisprude1	RT @ECRchat: Busy #ECRchat so far! Join us now for discussion of postdoc funding options <a href="http://t.co/ODj9CaJL">http://t.co/ODj9CaJL</a>	Thu, 08 Nov 2012 10:12:33 +0000
ECRchat	RT @DiseaseMapper: Q2: What are your views on the pros and cons for each of these routes? (2/2) #ECRchat	Thu, 08 Nov 2012 10:12:34 +0000
DiseaseMapper	As an add on to Q2...do you feel that you are well informed about these options? If you have Q's, ask them now! #ECRchat	Thu, 08 Nov 2012 10:13:05 +0000
melidevine	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxfV0">http://t.co/UaLsxfV0</a>	Thu, 08 Nov 2012 10:13:10 +0000
snarkyphd	@DiseaseMapper thanks for clarifying :) #ECRchat	Thu, 08 Nov 2012 10:13:24 +0000
DiseaseMapper	#ECRchat for those not clear of the distinction between these...	Thu, 08 Nov 2012 10:13:31 +0000
gawbul	RT @DiseaseMapper: Hi everyone, welcome to today's #ECRchat "Different routes to postdoc funding"!	Thu, 08 Nov 2012 10:13:43 +0000
DiseaseMapper	#ECRchat advertised post-docs are when someone gets research funding and then advertises for a post-doc to work on it..you apply for the job	Thu, 08 Nov 2012 10:13:56 +0000
alexburns	. @snarkyphd Many Oz advertised Post-Docs come from ARC and other Category 1 competitive grants #ecrchat	Thu, 08 Nov 2012 10:13:56 +0000
KL_Wheat	@ECRchat A2. Much prefer any funding that allows freedom of ideas. Feel like advertised postdoc would be too restrictive #ECRchat	Thu, 08 Nov 2012 10:14:00 +0000
snarkyphd	Q2. Seems like the more you 'own' the funding the better... Just my impression. #ECRchat	Thu, 08 Nov 2012 10:14:30 +0000
ECRchat	RT @DiseaseMapper: As an add on to Q2...do you feel that you are well informed about these options? If you have Q's, ask them now! #ECRchat	Thu, 08 Nov 2012 10:14:32 +0000

DiseaseMapper	#ECRchat Gaining your own funding would usually be an early career/post doc fellowship - you apply for funding with a research proposal	Thu, 08 Nov 2012 10:15:04 +0000
JackieKirkham	@DiseaseMapper prob for being 1st named on grant is need for prev exp/pubs. Also if 1st named often can't do actual data collection #ECRchat	Thu, 08 Nov 2012 10:15:10 +0000
snarkyphd	@alexburns thanks, that's what I thought. Mine isn't, which I have found very confusing. #ECRchat	Thu, 08 Nov 2012 10:15:18 +0000
KL_Wheat	Fully agree! RT @snarkyphd "Q2. Seems like the more you 'own' the funding the better" #ECRchat	Thu, 08 Nov 2012 10:15:38 +0000
snarkyphd	@KL_Wheat yes! Freedom of ideas so important. #ECRchat	Thu, 08 Nov 2012 10:15:47 +0000
DiseaseMapper	#ECRchat - being named on grant is inbetween - this is where a contact (e.g. supervisor) writes a grant proposal and names you as post-doc	Thu, 08 Nov 2012 10:15:50 +0000
ranilillanjum	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxvF0">http://t.co/UaLsxvF0</a>	Thu, 08 Nov 2012 10:16:08 +0000
PJ_Weatherill	@Jurisprude1 So many factors currently affecting #ecr careers ... #Ecrchat	Thu, 08 Nov 2012 10:16:21 +0000
DiseaseMapper	@JackieKirkham Is this a restriction of particular funding, or more the difficult of managing it all? #ECRchat	Thu, 08 Nov 2012 10:16:52 +0000
snarkyphd	@DiseaseMapper been on a few unsuccessful attempts a this. #ECRchat	Thu, 08 Nov 2012 10:16:57 +0000
JackieKirkham	@DiseaseMapper am going thru this process at mo - means won't have to reapply for job if successful #ECRchat	Thu, 08 Nov 2012 10:16:59 +0000
gawbul	RT @thesiswhisperer: I'll hand the live tweet batton to the folks on #ecrchat now - but I need a cup of tea and a lie down now! #phdchat	Thu, 08 Nov 2012 10:17:13 +0000
CureCancerAust	Hi, Edith here (Research Program Manager). We only fund #ECR - 30 funded in 2012 #ecrchat	Thu, 08 Nov 2012 10:17:21 +0000
DiseaseMapper	@snarkyphd @KL_Wheat #ECRchat - fellowships/gaining your own funding definitely give more flexibility and freedom	Thu, 08 Nov 2012 10:17:23 +0000
ScottEacott	RT @Nadine_Muller: Pls RT: The New Academic: A New Blog Post Series for #Postgraduates & Early-Career Researchers. #phdchat #ecrchat #phd <a href="http://t.co/UaLsxvF0">http://t.co/UaLsxvF0</a>	Thu, 08 Nov 2012 10:17:44 +0000
JackieKirkham	@snarkyphd yes - took a while in current proj to feel like I 'owned' it as not involved in initial proposal #ECRchat	Thu, 08 Nov 2012 10:17:46 +0000
ranilillanjum	I and many others find the Mumford Method of academic writing by @SDMumford very helpful. #ECRchat <a href="https://t.co/mBtOAdBV">https://t.co/mBtOAdBV</a>	Thu, 08 Nov 2012 10:18:12 +0000
DiseaseMapper	@snarkyphd Me too! Can be frustrating, but if you are involved in grant writing it is good experience. #ECRchat	Thu, 08 Nov 2012 10:18:14 +0000
JackieKirkham	@DiseaseMapper not sure - grant we're applying for at the mo has that restriction (ie RF can't be PI) #ECRchat	Thu, 08 Nov 2012 10:18:18 +0000
BioScienceMum	@DiseaseMapper @snarkyphd @KL_Wheat but can be uncompetitive for fellowships direct from PhD due to publication lags #ecrchat	Thu, 08 Nov 2012 10:18:28 +0000
KL_Wheat	@DiseaseMapper Fellowships feel like best, but possibly most difficult/competitive option to me #ECRchat	Thu, 08 Nov 2012 10:18:45 +0000
snarkyphd	@JackieKirkham lots of factors in this as well, depends a lot on working relationships with colleagues if you're on their funds. #ECRchat	Thu, 08 Nov 2012 10:19:10 +0000
DiseaseMapper	#ECRchat sounds like many have experienced the "inbetween" named on grant...highlights the fact that MANY post-docs are NEVER advertised!	Thu, 08 Nov 2012 10:19:29 +0000
QCMRI	RT @ECRchat: Busy #ECRchat so far! Join us now for discussion of postdoc funding options <a href="http://t.co/ODj9CaJL">http://t.co/ODj9CaJL</a>	Thu, 08 Nov 2012 10:19:50 +0000
PJ_Weatherill	@JackieKirkham @snarkyphd Would definitely want to feel some ownership over topic to be able to maintain it ... #Ecrchat	Thu, 08 Nov 2012 10:19:52 +0000
snarkyphd	@DiseaseMapper absolutely. Some very generous people have given me a lot of grant experience. My cv not yet competitive though. #ECRchat	Thu, 08 Nov 2012 10:20:17 +0000
KL_Wheat	@BioScienceMum Yes! Many ECR fellowships span up to 7 yrs post-phd, which seems impossible for 1 yr post-phd to compete for #ECRchat	Thu, 08 Nov 2012 10:20:36 +0000
BioScienceMum	#ecrchat if you have idea but not reputation, approaching possible PIs is good route to being 'named' on a grant that you write	Thu, 08 Nov 2012 10:20:45 +0000
DiseaseMapper	#ECRchat - a few people also mentioned that they feel they are not yet competitive enough for fellowship. BUT some schemes are aimed at ECRs	Thu, 08 Nov 2012 10:21:02 +0000
ECRchat	RT @DiseaseMapper: #ECRchat sounds like many have experienced the "inbetween" named on grant...highlights the fact that MANY post-docs are NEVER advertised!	Thu, 08 Nov 2012 10:21:02 +0000
snarkyphd	@BioScienceMum great advice, thanks :) #ECRchat	Thu, 08 Nov 2012 10:21:36 +0000
ECRchat	RT @BioScienceMum: #ecrchat if you have idea but not reputation, approaching possible PIs is good route to being 'named' on a grant that you write	Thu, 08 Nov 2012 10:21:36 +0000
Jurisprude1	RT @ranilillanjum: I and many others find the Mumford Method of academic writing by @SDMumford very helpful. #ECRchat <a href="https://t.co/mBtOAdBV">https://t.co/mBtOAdBV</a>	Thu, 08 Nov 2012 10:21:52 +0000
DiseaseMapper	#ECRchat - different sources of funding have different requirements...my funding sources was less competitive than others as quite specific.	Thu, 08 Nov 2012 10:21:54 +0000
tseenkhoo	Argh. 'Puter froze + have now missed 1st 20 mins of #ecrchat. D'oh!	Thu, 08 Nov 2012 10:21:57 +0000
ranilillanjum	There was lots of help available when I wanted to apply for an ERC Starting Grant. I got financial support and application courses. #ECRchat	Thu, 08 Nov 2012 10:22:09 +0000
DiseaseMapper	@ranilillanjum #ECRchat - that is good to hear!	Thu, 08 Nov 2012 10:22:35 +0000
KL_Wheat	@tseenkhoo Don't worry - still time to chip in :) #ECRchat	Thu, 08 Nov 2012 10:22:44 +0000
gawbul	RT @BioScienceMum: #ecrchat if you have idea but not reputation, approaching possible PIs is good route to being 'named' on a grant that you write	Thu, 08 Nov 2012 10:23:03 +0000
DiseaseMapper	@FionaMacKichan @KL_Wheat @BioScienceMum #ECRchat definitely. Theres a Wellcome fellowship where you can only apply up to 1 year post PhD	Thu, 08 Nov 2012 10:23:24 +0000
snarkyphd	@DiseaseMapper I mean compared to other ECRs. Thinking of the very competitive DECRA as an example. #ECRchat	Thu, 08 Nov 2012 10:23:34 +0000
ScottEacott	#ecrchat Hi all, running late with kids, bed etc, playing catch up reading stream now ;-) Looks interesting thus far.	Thu, 08 Nov 2012 10:23:39 +0000
lizgloyn	@DiseaseMapper #ecrchat Only postdocs I know for humanities students are Leverhulme/ARCH/Brit Ac, all of which are fiercely competitive.	Thu, 08 Nov 2012 10:23:50 +0000
Jurisprude1	@PJ_Weatherill I know. I find that the situation in the US & EU isn't much better...Third world countries are good options though. #Ecrchat	Thu, 08 Nov 2012 10:24:03 +0000
FionaMacKichan	@KL_Wheat @BioScienceMum Some funders trying to take into account? eg ESRC encouraging early apps, NIHR weight I think? #ecrchat	Thu, 08 Nov 2012 10:24:07 +0000
gawbul	RT @ECRchat: Busy #ECRchat so far! Join us now for discussion of postdoc funding options <a href="http://t.co/ODj9CaJL">http://t.co/ODj9CaJL</a>	Thu, 08 Nov 2012 10:24:13 +0000
ranilillanjum	In Norway they are eager for us to apply for EU funding. It's a difficult system to understand but the Norw research council helped #ECRchat	Thu, 08 Nov 2012 10:24:30 +0000
KL_Wheat	@DiseaseMapper Yes, I'm annoyed with myself that I found out just too late to make the 1yr post-phd cut off, grrr! #ECRchat	Thu, 08 Nov 2012 10:24:43 +0000
statsepi	@DiseaseMapper For example <a href="http://t.co/zRs994E0">http://t.co/zRs994E0</a> #ECRchat	Thu, 08 Nov 2012 10:24:44 +0000
CureCancerAust	We fund through #PdCCRS, and collaboratively with LFA, PCFA, NBCF & CCNSW - less than 7 yrs post doc #ecrchat	Thu, 08 Nov 2012 10:24:50 +0000
snarkyphd	@FionaMacKichan exactly, same here (with oz equivalent funding bodies). #ECRchat	Thu, 08 Nov 2012 10:25:07 +0000
DiseaseMapper	@KL_Wheat You are not alone! #ECRchat	Thu, 08 Nov 2012 10:25:13 +0000

FionaMacKichan	@DiseaseMapper @KL_Wheat @BioScienceMum Just need to be absolutely on the ball + good support. not always easy when fresh from PhD! #ecrchat	Thu, 08 Nov 2012 10:25:31 +0000
sibealnetwork	Right now #ECRchat is discussing postdoc funding options, feel free to join in here: <a href="http://t.co/nci1CwXk">http://t.co/nci1CwXk</a>	Thu, 08 Nov 2012 10:25:45 +0000
DiseaseMapper	@CureCancerAust #ECRchat - would be interesting to know how you compare very early ECR (e.g. just submitted phd) with 7 yrs in terms of CV	Thu, 08 Nov 2012 10:26:01 +0000
ScottEacott	@lizgloyn @DiseaseMapper Thinking likewise of Aust DECRA - up to 200 annually across all disciplines. Tough for soc sci to compete #ecrchat	Thu, 08 Nov 2012 10:26:16 +0000
Jurisprude1	RT @DiseaseMapper: @FionaMacKichan @KL_Wheat @BioScienceMum #ECRchat definitely. Theres a Wellcome fellowship where you can only apply up to 1 year post PhD	Thu, 08 Nov 2012 10:26:34 +0000
ECRchat	RT @DiseaseMapper: @CureCancerAust #ECRchat - would be interesting to know how you compare very early ECR (e.g. just submitted phd) with 7 yrs in terms of CV	Thu, 08 Nov 2012 10:26:51 +0000
DiseaseMapper	Q3. Talking about gaining your own funding...what different types of places may fund you? #ECRchat	Thu, 08 Nov 2012 10:27:10 +0000
Jurisprude1	RT @CureCancerAust: We fund through #PdCCRS, and collaboratively with LFA, PCFA, NBCF & CCNSW - less than 7 yrs post doc #ecrchat	Thu, 08 Nov 2012 10:27:27 +0000
ranillanjanum	If anyone in the #ECRchat are philosophers, please @ me. I manage two lists of 900 philosophers, students and staff. #phdchat	Thu, 08 Nov 2012 10:27:29 +0000
BioScienceMum	@FionaMacKichan @DiseaseMapper @KL_Wheat Also need to think well in advance, also not easy #ecrchat	Thu, 08 Nov 2012 10:27:33 +0000
JackieKirkham	@PJ_Weatherill yes - feel like I'm there now, but it took a while! #ECRchat	Thu, 08 Nov 2012 10:27:42 +0000
ECRchat	RT @DiseaseMapper: Q3. Talking about gaining your own funding...what different types of places may fund you? #ECRchat	Thu, 08 Nov 2012 10:27:53 +0000
DiseaseMapper	@BioScienceMum @FionaMacKichan @KL_Wheat #ECRchat - excellent point...you need to think about a year ahead...know whats coming up + prepare!	Thu, 08 Nov 2012 10:28:14 +0000
Sandflyman	@DiseaseMapper I was in that inbetween zone for many years, best step is to be named as CO-PI if the grant body will allow... #ECRchat	Thu, 08 Nov 2012 10:28:40 +0000
ECRchat	RT @BioScienceMum: @FionaMacKichan @DiseaseMapper @KL_Wheat Also need to think well in advance, also not easy #ecrchat	Thu, 08 Nov 2012 10:28:42 +0000
tseenkhoo	Don't overlook uni postdocs or fellowships - target unis you prefer + keep an eye on (very variable) deadlines! #ecrchat	Thu, 08 Nov 2012 10:28:54 +0000
snarkyphd	@DiseaseMapper meaning funding for salary, or smaller project funding as well? #ECRchat	Thu, 08 Nov 2012 10:28:58 +0000
DiseaseMapper	#ECRchat - it is all too easy for a grant deadline to whizz by without you noticing unless you make sure you are on top of things!	Thu, 08 Nov 2012 10:28:59 +0000
jurylady5	RT @ranillanjanum: I and many others find the Mumford Method of academic writing by @SDMumford very helpful. #ECRchat <a href="https://t.co/mBtOaDBV">https://t.co/mBtOaDBV</a>	Thu, 08 Nov 2012 10:29:22 +0000
ECRchat	RT @tseenkhoo: Don't overlook uni postdocs or fellowships - target unis you prefer + keep an eye on (very variable) deadlines! #ecrchat	Thu, 08 Nov 2012 10:29:26 +0000
BioScienceMum	@DiseaseMapper @FionaMacKichan @KL_Wheat especially if not yet finished PhD, marginally easier if working as someone else's postdoc #ecrchat	Thu, 08 Nov 2012 10:29:28 +0000
CureCancerAust	We assess track record relative to opportunity. We look for innovation, leadership as well as ++ science. @DiseaseMapper #ECRchat	Thu, 08 Nov 2012 10:29:32 +0000
DiseaseMapper	@Sandflyman #ECRchat - great point about being co-PI if possible (but some funds have restrictions on this)	Thu, 08 Nov 2012 10:29:48 +0000
gawbul	RT @tseenkhoo: Don't overlook uni postdocs or fellowships - target unis you prefer + keep an eye on (very variable) deadlines! #ecrchat	Thu, 08 Nov 2012 10:30:04 +0000
tseenkhoo	Many uni postdocs/fellowships are open to all disciplines, like ARC in Oz. They depend on yr buildg good r'ship w/ their ppl, tho. #ecrchat	Thu, 08 Nov 2012 10:30:04 +0000
gawbul	RT @DiseaseMapper: @BioScienceMum @FionaMacKichan @KL_Wheat #ECRchat - excellent point...you need to think about a year ahead...know whats coming up + prepare!	Thu, 08 Nov 2012 10:30:14 +0000
alexburns	. @snarkyphd DECRA very competitive based on ECR publications, waiting time for eligibility, and specific projects #ecrchat	Thu, 08 Nov 2012 10:30:18 +0000
gawbul	RT @DiseaseMapper: @FionaMacKichan @KL_Wheat @BioScienceMum #ECRchat definitely. Theres a Wellcome fellowship where you can only apply up to 1 year post PhD	Thu, 08 Nov 2012 10:30:24 +0000
KL_Wheat	@DiseaseMapper So true! Prob need to note deadlines the year before intending to apply, i.e., 2 years before funding should start! #ECRchat	Thu, 08 Nov 2012 10:30:34 +0000
DiseaseMapper	@snarkyphd Mainly for salary, but useful to think about smaller funds also as these may help with fellowship funding in future #ECRchat	Thu, 08 Nov 2012 10:30:47 +0000
LorzingNorgay	RT @sibealnetwork: Right now #ECRchat is discussing postdoc funding options, feel free to join in here: <a href="http://t.co/nci1CwXk">http://t.co/nci1CwXk</a>	Thu, 08 Nov 2012 10:31:02 +0000
hapsci	RT @DiseaseMapper: @FionaMacKichan @KL_Wheat @BioScienceMum #ECRchat definitely. Theres a Wellcome fellowship where you can only apply up to 1 year post PhD	Thu, 08 Nov 2012 10:31:16 +0000
DiseaseMapper	@CureCancerAust Thanks! I was hoping that would be the case :- ) #ECRchat	Thu, 08 Nov 2012 10:31:17 +0000
snarkyphd	@gawbul yes. I was using it as an example of something I'm not competitive for. #ECRchat	Thu, 08 Nov 2012 10:31:48 +0000
DiseaseMapper	@KL_Wheat #ECRchat - yup. I keep a spreadsheet with the main opportunities and criteria and update it every 2 months!	Thu, 08 Nov 2012 10:31:59 +0000
CureCancerAust	We funded Prof Roger Reddel, @drng @whereisdaz and Prof Andrew Biankin #ecrchat	Thu, 08 Nov 2012 10:32:28 +0000
ECRchat	Don't forget to include the hashtag #ECRchat in your tweets so we can all see them :-)	Thu, 08 Nov 2012 10:33:05 +0000
tseenkhoo	For Oz, indications from #ARC are that 'impact' will feature strongly in future 4 assessg grants. Start yr folio w/ media/blogging. #ecrchat	Thu, 08 Nov 2012 10:33:24 +0000
DiseaseMapper	#ECRchat funding sources which have been mentioned: Research councils, EU funding, charities, NHS, Universities...any others?	Thu, 08 Nov 2012 10:33:36 +0000
KL_Wheat	@DiseaseMapper I'm going to do that now! But I wish I had started making that spreadsheet a year ago! #ECRchat	Thu, 08 Nov 2012 10:34:04 +0000
CureCancerAust	Some institutes help support & mentor post docs with finding applications: grant writing skills are helpful @WEHL_research are good #ecrchat	Thu, 08 Nov 2012 10:34:18 +0000
ECRchat	RT @DiseaseMapper: @KL_Wheat #ECRchat - yup. I keep a spreadsheet with the main opportunities and criteria and update it every 2 months!	Thu, 08 Nov 2012 10:34:34 +0000
DiseaseMapper	@tseenkhoo #ECRchat - UK funding is now all about impact too...need to keep up with what they want to make sure you can fulfill requirements	Thu, 08 Nov 2012 10:34:41 +0000
ECRchat	RT @DiseaseMapper: #ECRchat funding sources which have been mentioned: Research councils, EU funding, charities, NHS, Universities...any others?	Thu, 08 Nov 2012 10:34:41 +0000
JackieKirkham	@DiseaseMapper that's a great idea! #ECRchat	Thu, 08 Nov 2012 10:34:49 +0000
MeganJMcPherson	@tseenkhoo it's going to be an interesting development for academics me thinks #ecrchat	Thu, 08 Nov 2012 10:35:14 +0000
BioScienceMum	@DiseaseMapper learned societies may have some but not always for salary costs #ecrchat	Thu, 08 Nov 2012 10:35:24 +0000
tseenkhoo	@DiseaseMapper Yes! Have browsed ESRC metrics for impact before + come away somewhat goggle-eyed... #ecrchat	Thu, 08 Nov 2012 10:35:47 +0000
DiseaseMapper	@BioScienceMum #ECRchat - indeed, but small grants are great for the CV to help with the bigger ones!	Thu, 08 Nov 2012 10:35:56 +0000
JackieKirkham	@DiseaseMapper some govt funding too - eg in Scotland the CSO (Chief Scientist Office) - has to be relevant to Scotland #ECRchat	Thu, 08 Nov 2012 10:36:00 +0000
tseenkhoo	@MeganJMcPherson I think many good researchers already do what's necessary, prolly need to channel more. Ones who need to worry... #ecrchat	Thu, 08 Nov 2012 10:36:51 +0000
DiseaseMapper	#ECRchat - great - loads of suggestions of funding sources from small scale to large scale. Trick is to know of those in your field...	Thu, 08 Nov 2012 10:36:53 +0000

BioScienceMum	@DiseaseMapper #ecrchat very useful if you can obtain small research grants while doing PhD or funded postdoc, shows ability to do so	Thu, 08 Nov 2012 10:37:11 +0000
ECRchat	RT @DiseaseMapper: @BioScienceMum #ECRchat - indeed, but small grants are great for the CV to help with the bigger ones!	Thu, 08 Nov 2012 10:37:17 +0000
DiseaseMapper	#ECRchat - but also good to think outside the box and look at others which are more general and open for all research areas	Thu, 08 Nov 2012 10:37:18 +0000
tseenkhoo	@MeganJMcPherson are those who have a lot of media quotes/pieces, but no other significant kind of publication track-record. #ecrchat	Thu, 08 Nov 2012 10:37:36 +0000
DiseaseMapper	Q4. We have already mentioned a few, but what are the main hurdles to gaining your own funding? #ECRchat	Thu, 08 Nov 2012 10:38:13 +0000
ECRchat	RT @DiseaseMapper: Q4. We have already mentioned a few, but what are the main hurdles to gaining your own funding? #ECRchat	Thu, 08 Nov 2012 10:38:51 +0000
DiseaseMapper	#ECRchat - main hurdle discussed so far is the lack of competitiveness at early stage (e.g. publications)	Thu, 08 Nov 2012 10:39:10 +0000
BioScienceMum	Q4: competition, publications, ideas, not knowing how best to frame those ideas for fundability #ecrchat	Thu, 08 Nov 2012 10:39:33 +0000
CureCancerAust	@BioScienceMum @diseasemapper That's what we aim to do. Help post docs develop track record so it makes future success more likely #ECRchat	Thu, 08 Nov 2012 10:39:49 +0000
MeganJMcPherson	@tseenkhoo I'm thinking of my field (art) where Aca are not on social media, not publishing but gaining ERA with tight criteria #ecrchat	Thu, 08 Nov 2012 10:40:04 +0000
FionaMacKichan	@DiseaseMapper @BioScienceMum @KL_Wheat Yep - I store forms from current calls & start working up well before next call opens. #ecrchat	Thu, 08 Nov 2012 10:40:22 +0000
DiseaseMapper	@BioScienceMum #ECRchat - important point...it is difficult to learn how to put an idea into a proposal!	Thu, 08 Nov 2012 10:40:27 +0000
BioScienceMum	.@DiseaseMapper also timing / time available to put together a top quality application #ecrchat	Thu, 08 Nov 2012 10:40:31 +0000
tseenkhoo	@DiseaseMapper Some ECRs may have limited networks - need to ensure ear is well + truly to the ground for project + f'ship opps. #ecrchat	Thu, 08 Nov 2012 10:40:38 +0000
DiseaseMapper	@BioScienceMum #ECRchat - another great point. V easy to underestimate the time needed to put together the application!	Thu, 08 Nov 2012 10:41:33 +0000
TerribleCliches	RT @DiseaseMapper: #ECRchat - but also good to think outside the box and look at others which are more general and open for all research areas	Thu, 08 Nov 2012 10:41:42 +0000
KL_Wheat	@DiseaseMapper A4. My main hurdle is finding funding opportunity that fits my career stage, experience, and research topic #ECRchat	Thu, 08 Nov 2012 10:41:50 +0000
DiseaseMapper	@tseenkhoo #ECRchat - networks are definitely crucial, but you are right it is much more difficult in early stages.	Thu, 08 Nov 2012 10:42:07 +0000
ECRchat	RT @DiseaseMapper: @BioScienceMum #ECRchat - important point...it is difficult to learn how to put an idea into a proposal!	Thu, 08 Nov 2012 10:42:09 +0000
rellypops	@MeganJMcPherson @tseenkhoo it will be interesting times in regards to this. Many different approaches & attitudes #ecrchat	Thu, 08 Nov 2012 10:42:10 +0000
tseenkhoo	@MeganJMcPherson But if not many on soc.med, is an opportunity for you to be pioneer 'translator' of aca field stuff to mainstream? #ecrchat	Thu, 08 Nov 2012 10:42:27 +0000
CureCancerAust	@DiseaseMapper Publications is an area PhDs and post docs need to focus on. Along with presentations #ECRchat	Thu, 08 Nov 2012 10:42:46 +0000
FionaMacKichan	@DiseaseMapper Finding time when also job hunting / working on smaller grants / writing etc. etc. Time goes too fast! #ecrchat	Thu, 08 Nov 2012 10:42:47 +0000
tseenkhoo	@MeganJMcPherson It's a balance, of course. Not all one thing or another. What are the "tight criteria" in yr field? #ecrchat	Thu, 08 Nov 2012 10:43:23 +0000
ECRchat	RT @CureCancerAust: @DiseaseMapper Publications is an area PhDs and post docs need to focus on. Along with presentations #ECRchat	Thu, 08 Nov 2012 10:43:29 +0000
DiseaseMapper	#ECRchat hurdles being discussed: competitiveness, publication record, small network, time for applications, knowing what is available...	Thu, 08 Nov 2012 10:43:35 +0000
ECRchat	RT @BioScienceMum: .@DiseaseMapper also timing / time available to put together a top quality application #ecrchat	Thu, 08 Nov 2012 10:43:48 +0000
DiseaseMapper	#ECRchat more hurdles - know how to translate idea into proposal	Thu, 08 Nov 2012 10:44:00 +0000
Sandflyman	MT @DiseaseMapper: #ECRchat hurdles being discussed: competitiveness, publication record, small network, knowing what is available...	Thu, 08 Nov 2012 10:44:21 +0000
ECRchat	RT @DiseaseMapper: #ECRchat hurdles being discussed: competitiveness, publication record, small network, time for applications, knowing what is available...	Thu, 08 Nov 2012 10:44:29 +0000
DiseaseMapper	Q5. So, based on this, what do you think would help when applying for your own funding? What can we do to improve chances? #ECRchat	Thu, 08 Nov 2012 10:45:07 +0000
onekind	@tseenkhoo Also, for the love of god, find practitioners in your field (if poss) and make friends with them. #ecrchat #practitionerhere	Thu, 08 Nov 2012 10:45:09 +0000
GhislaineDell	RT @BioScienceMum: #ecrchat if you have idea but not reputation, approaching possible PIs is good route to being 'named' on a grant that you write	Thu, 08 Nov 2012 10:46:15 +0000
DiseaseMapper	#ECRchat - some ideas already mentioned: Publish as much as possible, get experience writing grants, try to get small grants to boost CV	Thu, 08 Nov 2012 10:46:22 +0000
tseenkhoo	RT @onekind: @tseenkhoo Also, for the love of god, find practitioners in your field (if poss) and make friends with them. #ecrchat #practitionerhere	Thu, 08 Nov 2012 10:46:24 +0000
KL_Wheat	@DiseaseMapper A5. This chat has shown me I need to be more organised, look further ahead, and find support (from PI/uni/courses) #ECRchat	Thu, 08 Nov 2012 10:46:53 +0000
BioScienceMum	@DiseaseMapper mentoring can be important, someone to guide and help you through the application process #ecrchat	Thu, 08 Nov 2012 10:46:57 +0000
tseenkhoo	@onekind V important for so many areas. And so often overlooked/dismissed. #ecrchat	Thu, 08 Nov 2012 10:47:05 +0000
DiseaseMapper	#ECRchat - some more ideas already discussed: Keep you eye on opportunities and deadlines, plan FAR in advance, network as much as possible	Thu, 08 Nov 2012 10:47:10 +0000
tseenkhoo	@DiseaseMapper For some areas, building collaborative foundations with govt/industry via small consultancies can prove fruitful. #ecrchat	Thu, 08 Nov 2012 10:47:49 +0000
ScottEacott	@DiseaseMapper Sounds good to me - although sometimes too much pressure to get grants before track record stacks up #ecrchat	Thu, 08 Nov 2012 10:47:57 +0000
ECRchat	RT @DiseaseMapper: #ECRchat - some ideas already mentioned: Publish as much as possible, get experience writing grants, try to get small grants to boost CV	Thu, 08 Nov 2012 10:48:03 +0000
ECRchat	RT @DiseaseMapper: #ECRchat - some more ideas already discussed: Keep you eye on opportunities and deadlines, plan FAR in advance, network as much as possible	Thu, 08 Nov 2012 10:48:06 +0000
DiseaseMapper	#ECRchat something I found invaluable was reading other peoples grant proposals! All different types, all different fields - really helpful!	Thu, 08 Nov 2012 10:48:06 +0000
CureCancerAust	Agree that networking is critical for career success (and for fun & learning & collaboration) @Sandflyman @diseasemapper #ECRchat	Thu, 08 Nov 2012 10:48:19 +0000
DiseaseMapper	@tseenkhoo #ECRchat - yeah, great idea. Also linked with @onekind comment of linking with practitioners!	Thu, 08 Nov 2012 10:48:41 +0000
BioScienceMum	@tseenkhoo @DiseaseMapper get yourself known by people you'd like to work with, build networks #ecrchat	Thu, 08 Nov 2012 10:49:06 +0000
DiseaseMapper	Ten minutes of #ECRchat left...some great ideas coming in to help people on their next steps!	Thu, 08 Nov 2012 10:49:49 +0000
eLizHartnett	@BioScienceMum @DiseaseMapper #ecrchat It's finding the mentor that's hard, sometimes serendipitous.	Thu, 08 Nov 2012 10:49:58 +0000
KL_Wheat	@ECRchat Idea that hasn't come up - taking on project students for potential boost in publications and proj. management exp ? #ECRchat	Thu, 08 Nov 2012 10:50:12 +0000
DiseaseMapper	#ECRchat - another tip which helped mr was to make sure my fellowship proposal was a lot broader in scope than my PhD project: think big!	Thu, 08 Nov 2012 10:50:45 +0000
ECRchat	RT @eLizHartnett: @BioScienceMum @DiseaseMapper #ecrchat It's finding the mentor that's hard, sometimes serendipitous.	Thu, 08 Nov 2012 10:51:03 +0000

BioScienceMum	.@KL_Wheat @ECRchat project students can be good for data collection but can also be a drain on time otherwise #ecrchat	Thu, 08 Nov 2012 10:51:05 +0000
DiseaseMapper	@eLizHartnett @BioScienceMum #ECRchat - don't be afraid to ask people if you think they could help, even if you don't really know them!	Thu, 08 Nov 2012 10:51:14 +0000
DiseaseMapper	@KL_Wheat @ECRchat #ECRchat - yeah, good point. Working with students can be a good way to increase publication outputs.	Thu, 08 Nov 2012 10:51:44 +0000
tseenkhoo	@BioScienceMum @DiseaseMapper Absolutely - I've found unexpected chances can crop up when just keeping in touch w/ snr colleagues. #ecrchat	Thu, 08 Nov 2012 10:52:16 +0000
CureCancerAust	@DiseaseMapper Hurdle: grant writing. Eg Not answering all the questions fully on the application form. Some applicants miss out #ECRchat	Thu, 08 Nov 2012 10:52:18 +0000
BioScienceMum	@DiseaseMapper @KL_Wheat #ECRchat if you can get them, go for MSc students rather than undergraduates, I've had better outcomes that way	Thu, 08 Nov 2012 10:52:38 +0000
DiseaseMapper	Q6. Final questions...What are you planning next? Which route are you aiming for? #ECRchat	Thu, 08 Nov 2012 10:52:40 +0000
KL_Wheat	@BioScienceMum Agree! Takes very motivated and capable students for it to pay off! #ECRchat	Thu, 08 Nov 2012 10:53:02 +0000
CureCancerAust	RT @DiseaseMapper: @KL_Wheat @ECRchat #ECRchat - yeah, good point. Working with students can be a good way to increase publication outputs.	Thu, 08 Nov 2012 10:53:23 +0000
CureCancerAust	RT @DiseaseMapper: @eLizHartnett @BioScienceMum #ECRchat - don't be afraid to ask people if you think they could help, even if you don't really know them!	Thu, 08 Nov 2012 10:53:31 +0000
KL_Wheat	@BioScienceMum Yes, actually I had MSc students in mind. Hoping to take on a small group this summer #ECRchat	Thu, 08 Nov 2012 10:53:53 +0000
tseenkhoo	x 100 MT @curecanceraust student writing. Eg Not answering all questions fully on the application form. Applicants miss out #ECRchat	Thu, 08 Nov 2012 10:53:55 +0000
whereisdaz	@CureCancerAust and we were very thankful for it! Career kickstarter in many ways @drng #ecrchat	Thu, 08 Nov 2012 10:53:59 +0000
ECRchat	RT @DiseaseMapper: Q6. Final questions...What are you planning next? Which route are you aiming for? #ECRchat	Thu, 08 Nov 2012 10:54:00 +0000
DiseaseMapper	@tseenkhoo @curecanceraust #ECRchat - also if you don't meet criteria for funding -&gt; you have wasted all the time it took you to apply!	Thu, 08 Nov 2012 10:54:35 +0000
CureCancerAust	@KL_Wheat @ecrchat Great idea, shows innovation and leadership. Would count well on our criteria #ECRchat	Thu, 08 Nov 2012 10:54:40 +0000
snarkyphd	Q6. Lots to think about, have learned a lot tonight. But not sure what next. #ECRchat	Thu, 08 Nov 2012 10:54:45 +0000
tseenkhoo	Further 2 what @curecanceraust just said: make use of yr intended institution's research office for tips when applying for f'ships! #ecrchat	Thu, 08 Nov 2012 10:54:55 +0000
JackieKirkham	@DiseaseMapper A6) named on grant applic as 1st step. Publish from current proj/PhD. Research future poss 4 being 1st named #ECRchat	Thu, 08 Nov 2012 10:54:56 +0000
Nuncia	RT @DiseaseMapper: @eLizHartnett @BioScienceMum #ECRchat - don't be afraid to ask people if you think they could help, even if you don't really know them!	Thu, 08 Nov 2012 10:55:07 +0000
KL_Wheat	@DiseaseMapper A6. My plan is to spread my eggs over many baskets! Multiple fellowship aps and grant of ex phd sup. as a backup #ECRchat	Thu, 08 Nov 2012 10:55:17 +0000
CureCancerAust	RT @eLizHartnett: @BioScienceMum @DiseaseMapper #ecrchat It's finding the mentor that's hard, sometimes serendipitous.	Thu, 08 Nov 2012 10:55:33 +0000
BioScienceMum	.@KL_Wheat I have several pubs with MSc/MRes student data, fewer from undergrad data. Counts as teaching experience too #ecrchat	Thu, 08 Nov 2012 10:55:48 +0000
CureCancerAust	RT @DiseaseMapper: #ECRchat something I found invaluable was reading other peoples grant proposals! All different types, all different fields - really helpful!	Thu, 08 Nov 2012 10:56:00 +0000
